

Effective July 2009

INDEPENDENT REVIEW & TECHNICAL ASSISTANCE SERVICES

The Radiochemistry Society is pleased to offer high caliber professional independent review and technical assistance services on a wide variety of relevant topics.

Our policy is to only work on a very limited number of projects per year and we suggest that you schedule a review of your project as early as possible. We offer complete confidentiality to clients world wide and client satisfaction is guaranteed.

Professional / Scientist Rates* for Services:

(negotiated retainer required for new clients)

- \$125.00 per hour

**Rates do not include travel or per diem but do include minor incidentals such as copy or other minor administrative details.*

For more information, a request form is available online at:

www.radiochemistry.org/consulting

or phone (509) 460-7474. We will reply to your request within 48 hours.
